

# T4321

## Host your own morning or afternoon tea during March to celebrate World Down Syndrome Day

March the 21st is World Down Syndrome Day. On this day, people across the world will celebrate the lives and achievements of people with Down syndrome within their own communities.

This year, you too can celebrate this important day by hosting your own T4321.

So join with us to spread the word. T4321 is not just about creating understanding and awareness. It's something we can all do to help create healthier, more inclusive communities

### Why T4321?

T4321 is an abbreviation of tea for trisomy 21. Trisomy 21, more commonly known as Down syndrome, refers to the presence of three copies of chromosome 21.
